General advice only

eToro Australia only provides **general** (not personal) financial product advice which means that we do not take into consideration your personal financial needs, objectives and financial circumstances.

Under the law regulating provision of financial services, general advice and personal advice have special meanings and may differ from what you commonly understand. General advice can include direct or implied recommendations about financial products or services, whether generally or for a class or kind of investor, without taking into account your particular circumstances. General advice includes advice based on consideration of the investment alone (including by reference to current market conditions). Such general advice is provided without any expressed or implied recommendation that it is appropriate for you in light of your personal circumstances. You should be aware that general advice or information is not complete and it might lose currency or accuracy.

Regular updates, marketing materials, research reports, market reports, case scenarios, investment strategy reports, PDSs or other offer documents and website content are not personal advice.

We assess you for suitability for our CFDs. We or our affiliates might assess you for suitability for ancillary services or trading tools, such as CopyTrading. These suitability assessments are for initial risk and compliance management only, and may not be taken as representing, inferring or implying any duty of care or fiduciary duty, or that the financial products and financial services we provide to you are suitable for your personal financial needs, objectives and financial circumstances.

The onus is on you, as the client, to assess whether the services, products, information or general advice provided is appropriate for your personal needs, objectives and circumstances.

Other documents you may receive

Product disclosure documents and Financial Product Terms

YOU will receive from us a product disclosure statement (PDS) that makes disclosures about our contracts for differences (CFDs). The PDS contains important information to assist you in making a decision about the product. This should be read with the Financial Product Terms (made advisable when you apply or downloadable from our website). You must agree to them before transacting with us.

Affiliate's documents

We arrange for you to use services from our affiliates. This is so you can access integrated services provided globally. The affiliates' services cover the trading platform, data feeds, social tools and trading tools such as CopyTrading. These are not financial services provided by eToro Australia and are arranged by us for you. Their respective terms of service (including any end user agreement) are downloadable from our website or free of charge on request.

Employees and representatives

Our employees and other representatives are remunerated through a base salary and non-base salary compensation for their work for eToro Australia and related entities. The non-base salary includes a share of fees, revenue or other payments earned by eToro Australia (and, depending on the scope of their employment, related entities) which provides the financial product or service. The proportion of the

employees' and other representatives' non-base compensation in aggregate ranges up to 75% of their overall compensation over time. Individual remuneration is based on their level of experience, length of service with eToro Australia or its related entities, the level of qualifications, their contributions and market conditions.

Our employees and other representatives may also benefit from various internal incentive schemes including seminars, conferences and training programmes and non-cash rewards. Participation in these schemes is generally based on revenue production, minimum length of service and compliance with group policies and industry regulations.

Professional indemnity insurance

eToro Australia has the benefit of professional indemnity insurance that complies with section 912B of the Corporations Act 2001 (Commonwealth) (**Policy**). Subject to its terms, the Policy covers certain clients for loss or damage suffered as a result of breaches of the relevant obligations of eToro Australia and its employees in relation to its AFSL.

Also, subject to its terms, the Policy covers certain breaches by eToro Australia's employees and representatives employed by eToro Australia at the relevant time.
