**Promotion Description:**

When eligible new participants fund a new eToro Account (as described below) and meet these Terms and Conditions (the “**Promotion T&Cs**”) during the Promotion Period (the “**Promotion**”), eToro MSB will provide them with a free ticket code for the Bitcoin 2026 conference in Las Vegas (the “**Ticket Promotion**”). This Promotion will continue until it is modified and/or terminated by eToro MSB and/or eToro Broker (the “**Promotion Period**”). At eToro’s sole discretion, the Promotion may be modified or terminated at any time. The Ticket Promotion is a one-time offer strictly limited to the Customer’s initial successful deposit into their eToro trading account (“First-Time Deposit”). Subsequent deposits, regardless of timing, will not qualify for this promotion.

The Ticket Promotion code must be redeemed by the date specified by eToro in the delivery email or as otherwise communicated. Failure to redeem the code by the specified deadline will result in the forfeiture of the Ticket Promotion, and eToro shall have no obligation to provide a replacement code or alternative compensation.

Customers in the limited number of states or territories where eToro MSB is not operational are not eligible for this Promotion.

**eToro Entities:**

eToro MSB is a money services business registered with the Financial Crimes Enforcement Network ([FinCEN](#)), is a licensed money transmitter in many states, and it offers cryptocurrency trading services. eToro Broker is a broker-dealer registered with the Securities and Exchange Commission ([SEC](#)) and is a member of the Financial Industry Regulatory Authority ([FINRA](#)) and the Securities Investor Protection Corporation ([SIPC](#)). eToro Broker offers stock, ETF, and option trading services.
